PREFACE

This Directory has been compiled by the Chief Electoral Officer of Saskatchewan to assist persons in identifying the federal and provincial constituencies in which Saskatchewan communities are situated.

The federal constituencies referred to herein are those which came into effect on July 13, 1988 following the Publication one year earlier of a proclamation and representation order under the Electoral Boundaries Readjustment Act (R.S.C.).

Provincial constituencies referred to are those established pursuant to The Representation Act, 1989.

This publication is intended as a guide only and although every attempt has been made to ensure its accuracy, it may contain discrepancies. Discrepancies should be resolved by reference to the provincial and federal acts cited above.

Revisions will be made to this Directory at such time as changes occur with respect to federal or provincial constituency boundaries.

Keith Lampard
Chief Electoral Officer
